Would you be interested in signing up on the CERT Call Out List as part of the Reverse 9-1-1 System?

The Reverse 9-1-1 System is a notification system that can deliver an emergency "Call Out" messages via telephone to CERT Members during a major event. CERT Members would be automatically contacted by phone and requested to respond (if available) to the area needed. At that time, you will be given further directions on where to meet, contact person, etc.

If interested, fill out the reverse side of this form.

CERT Application (Draft 2) 8/14/07
